

LEAGUE PREFERENCING FOR 2024-2025

GOALS

- Support the ability of existing members to continue to curl in leagues they have traditionally curled in
- Provide notice when a league is oversubscribed to allow curlers to join other leagues
- Support the addition of new members to the Dixie Curling Club.

LEAGUE RANKING FOR PRIME TIME LEAGUES (after 4 pm)

- This applies to Prime, One League, Intermediate, U25 membership status. If you select more than three (3) Prime Time Leagues, you will be asked to rank all of your league selections with #1 being the highest ranking. Your top three (3) leagues will be accepted at time of registration but are dependent on the Preferencing Rules outlined below. Entry into any additional Prime Time Leagues (4+) will be confirmed by September 11, 2024.

TIMING

Three registration time periods:

- **Period 1:** Provides preferencing to returning League Teams/League Members August 09 to 15, 2024
- **Period 2:** Leagues are open to all Dixie members (in order received) August 16 to 22, 2024
- **Period 3:** Open registration for all including New Members (in order received) August 23, 2024.

COMPLETED REGISTRATIONS AND PAYMENT

A registration will be considered complete when the Dixie Curling Club receives:

- Completed website registration and online payment
- Submission of all applicable payments – including post-dated cheques or credit card payments. The payments will be cashed as outlined in the payment plan. Submission of partial payments with a registration will not be considered acceptable as a complete registration.

The post-dated cheques/credit card payments will be deposited as documented on the payment form.

- Dixie Curling Club will try to ensure payments it cashes reflect an applicant's successful registration.
- PRIME Membership – When a member pays for a PRIME Membership and is unable to get into all of their preferred leagues, they will have the opportunity to substitute into other leagues. If they end up playing in only one prime time league, they are eligible for a refund of the difference between Prime and One League memberships.

Refunds in full will be provided until Sept 29, 2024. After that date, refunds can be requested and will be considered on an individual basis. Refunds granted after the start of the season will be pro-rated and include an administration fee. Refunds should be requested by emailing generalmanager@dixiecurlingclub.com.

GENERAL

- A Returning Member is defined as any active member in the prior curling season. Grace period will be extended to curlers who have been away for one season.
- Registration is through the Dixie website.
- In the event of oversubscription for a league within the preferencing periods, a lottery will be used to determine which teams fill the remaining positions in that league.
- Reminder emails will be sent such as Registration Coming/Now Open, etc.
- After registration begins August 1, 2024, Dixie members will be updated regularly with a list of completed registrations received to allow the query of the status of teams/members. For Team Entries, Members highlighted in yellow indicate that payment is outstanding for that Member. **It is the Member's responsibility to review the status lists issued to ensure payment has been made and accepted for all of their team members to secure the spot in the more popular leagues.**
- The office will notify teams/individuals that were not successful in gaining entry to a particular league. Contact will be made by either telephone or email to individuals and to all members of a team entry.
- Conveners will be encouraged to make use of strategies that will enable the acceptance of as many new curlers to Dixie as is possible without hindering the ability of returning members to curl in these leagues.

STUDENTS/JUNIORS

- All U21 members that wish to participate in other than the U21 Curling on Sundays must pay the U25 registration and follow the associated guidelines.
- U21 members should be used as spares only when Prime, One League, Intermediate and U25 members are not available to spare.
- U21 Teams/Members are to be considered the same as any other team/member in league placement. Minimum age for U21 to register in leagues is 16.
- U21 teams (under 16) may fill vacant spots in leagues after registration at the discretion of the league convener.

DISPUTE RESOLUTION

- The General Manager will handle any disputes in registration.
- Guidelines may be tweaked for subsequent seasons if required.
- If required, the Board will review any issues.
